

2010

Group exhibition possibly satirizing the ridiculous movie *2012* --- at Flight Gallery in San Antonio, February 2010.

*2010: Year of The Hobby Horse*

Three 18 x 24 photos from my last trip to Peru, titled with a nod to *Tristram Shandy*, were shown as a triptych accompanied by this text, which addressed me in the voice of Foghorn Leghorn throughout the night of a jungle Huachuma ceremony known as the Serpent Mesa:

THE GRANDEUR OF YOUR EPAULET IS INSPIRIN', COLONEL. PLEASE INFORM THE QUARTERMASTER THAT MISS LILLYWHITE HAS GOT HER UNDERPANTS IN THE MUD. HOWEVER, SHE DOES NOT REQUIRE ASSISTANCE AS SHE HAS COME PREPARED WITH A PAIR OF ZIRCON ENCRUSTED TWEEZERS. HER GOLDEN BROW IS FESTOONED ABOUT WITH THOUGHTS BECOMIN' SUCH A CHILD. LATER SHE WILL JOIN US ON THE VERANDA.
